DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Mary E. Payne as a citizen by blood of the Cherokee Nation.

O R D E R.

It appears from the record herein that on September 14, 1900 Johnathan R. Payne appeared before this Commission, at Muskogee, Indian Territory, and made application, among others, for the enrollment of his minor child, Mary E. Payne (four years old), as a citizen by blood of the Cherokee Nation, her name being listed upon card Cherokee-D-1270. Additional proceedings were had in the matter of said application at Muskogee, Indian Territory, on February 15, 1905.

The evidence in this case shows that Mary E. Payne is a Cherokee by blood, and is the daughter of Johnathan E. Payne, who is identified upon the 1880 Authenticated Cherokee Roll, and whose name, as number 7042, appears upon a list, prepared by this Commission, of persons entitled to enrollment as citizens by blood of the Cherokee Nation, and approved by the Secretary of the Interior on November 14, 1902.

Said applicant has resided continuously in the Cherokee Nation from the date of her birth up to and including September 1, 1902.

It is, therefore, ordered that the name of the applicant, Mary E. Payne, which now appears on card Cherokee-D-1270, be transferred to straight Cherokee card, number 2805.

The Honorable,

The Secretary of the Interior.

Sir:

Referring to schedule No. 8 of citizens by blood of the Cherokee Nation heretofore forwarded to the Department, the Commission has the honor to report that the name of No. 7060 on that schedule, Mary M. Ballard, should be changed to Mary M. McCausland.

On January 6, 1903, there was filed with the Commission, a marriage license and certificate showing the marriage on September 26, 1901, of Mary M. Ballard to D. A. McCausland.

Section 25 of the Cherokee Agreement, proclaimed August 12, 1902, provides that "The roll of citizens of the Cherokee Nation shall be made as of September first, nineteen hundred and two", and as the correct name of this applicant on that date appears to have been Mary M. McCausland, the Commission respectfully recommends that the copies of the schedule retained by the Department and in the office of the Commissioner of Indian Affairs be corrected so that

this name will appear thereon as Mary M. McCausland instead of Mary M. Ballard, and that the Commission be directed to make similar changes on the copies of the schedule returned by it.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
VINITA, I.T., SEPTEMBER 17, 1900.

In the matter of the application of Joel Eli Herod for enrollment of himself, wife and child, as citizens of the Cherokee Nation, said Herod being sworn by Commissioner Breckinridge, testified as follows:

Q What is your name? A Joel Eli Herod.
Q What is your age? A 32.
Q Your postoffice? A Fairland.
Q In what district do you live? A Sequoyah.
Q Whom do you want to have enrolled? A Myself, wife and child.

Applicant presents duly authenticated certificate of admission to Cherokee citizenship, showing that on the 30th day of June, 1888, certain persons were admitted to citizenship by the Cherokee Commission, and among them appears the name of Eli Herod, aged at that time 20 years. Now that is your name, Eli? A Yes. Which is recognized as satisfactory evidence of the facts stated. The application for this admission was filed September 26, 1887. This is returned to the applicant.

Q Have you lived in the Cherokee Nation ever since you were admitted in '8'? A Yes.
Q What is the name ofyour father? A Josiah Herod.

Q What is the name of her mother? A I don't know her given name.

[illegible] roll, March 4, number 1866, as Eli Herod.

The applicant applies for the enrollment of himself, his wife and one child. He is shown by the certificate of admission cited in the testimony to have been duly admitted to Cherokee citizenship in '88. He has lived here ever since and is identified on the roll of '96 as a Native Cherokee. He will be listed for enrollment as a Cherokee by blood.

His wife is shown by the marriage license and certificate filed herewith, to have been married to him on March 13, 1899. This is too late for her to be admitted to enrollment, and the application for her enrollment is rejected. The child is shown by the marriage license and certificate filed herewith, to have been born September 1, 1899, some six months after the marriage. This casts a doubt upon the legitimacy of the child, and the application for the enrollment of the child will be placed upon a doubtful card. The applicant is required to see that the birth certificate is in due form and file it with the Commission. The final decision of the Commission in regard to the enrollment of his child will be communicated to him at his postoffice address.

The undersigned, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Subscribed and sworn to before me this 18th day of September, 1900.

Commissioner.

Mr. Treadwell S. Ranson,

Grove, I. T.

Sir:

In reply to your verbal request that your marriage certificate issued to you in the Delaware district in 1875, and supposed to have been filed at this office, be returned to you, I beg to advise you that this office has no record of such marriage certificate.

On February 23, 1899, all of the records of this Agency were destroyed by fire, and if your certificate was filed with the Agent, it was undoubtedly destroyed at that time.

Very respectfully,

United States Indian Agent.

Appt states his "cert" was never with agency - he said so - agency never had any use for it &c.

Dear Sir:

In reply to your letter of January 30, 1907, referring to evidence introduced in your Cherokee intermarried case, you are advised that a decision will be rendered in said case at the earliest practicable date, of which you will be furnished a copy.

The applicant applies for the enrollment of herself, her husband, and two children. Her husband is present and participates in the application. She is identified on the roll of '96 as a native Cherokee. She is shown by the certificate of admission cited in the testimony, to have been duly admitted by the Cherokee citizenship Commission in '87. She has lived in the Cherokee Nation ever since. Her change of name is accounted for by the marriage license and certificate filed herewith. She will now be listed for enrollment as a Cherokee by blood. When she presents the Commission with proper certificates of the birth of her two children, Otie A., and Silvey G., Berry, they also will be listed for enrollment as Cherokees by blood. Now in regard to the application for the enrollment of her husband; it is shown that they were married in '97, too late for him toacquire the rights of citizenship by intermarriage, therefore the application for his enrollment is refused.

The undersigned, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

SEP 18 1940

Department of the Interior,
Commission to the Five Civilized Tribes,
Muskogee, I.T., December 21, 1901.

There was received by the Commission on the 6th day of December, 1901, a letter from Mrs. Sadie L. Seabourn, relative to her enrollment as a citizen of the Cherokee Nation, in which she stated that her correct name is Sadie L. Seabourn, and not Sarah L. Seabourn, as stated to the Commission when she applied for enrollment.

In her communication the attention of the Commission was invited to an error in the testimony as to the age of her daughter, Joy C. Seabourn; also to an error as to the date of her marriage to Oscar L. Seabourn.

Upon an examination of the testimony taken in support of the application of the said Sadie L. Seabourn, it is found that the age of her child appears therein as fifteen years. This is no doubt an error, as both the enrollment card and the memorandum made when the application was heard, September 17, 1901, show the age of the said Joy C. Seabourn to be five years; while an examination of the Census Roll of 1896 shows the age of the said child to be one year.

It is stated in the testimony that the applicant presents a regular marriage license and certificate certifying that she was married to one Oscar L. Seabourn on the 8th day of April, 1894, while the certificate of marriage filed in this case discloses the fact that the applicant was married to Oscar L. Seabourn on the 8th day of April, 1894.

It is directed that copies of this statement be filed in this case, and that the errors as to the age of Joy C. Seabourn, and as to the date of the marriage of the applicant to Oscar L. Seabourn, be corrected when this case is reached in examination in its regular order.

There was received by the Commission on the 6th day of December, 1901, a letter from Mrs. Sadie L. Seabourn, relative to her enrollment as a citizen of the Cherokee Nation, in which she stated that her correct name is Sadie L. Seabourn, and not Sarah L. Seabourn, as stated to the Commission when she applied for enrollment.

In her communication the attention of the Commission was invited to an error in the testimony as to the age of her daughter, Joy C. Seabourn; also to an error as to the date of her marriage to Oscar L. Seabourn.

Upon an examination of the testimony taken in support of the application of the said Sadie L. Seabourn, it is found that the age of her child appears therein as fifteen years. This is no doubt an error, as both the enrollment card and the memorandum made when the application was heard, September 17, 1901, show the age of the said Joy C. Seabourn to be five years; while an examination of the Census Roll of 1896 shows the age of the said child to be one year.

It is stated in the testimony that the applicant presents a regular marriage license and certificate certifying that she was married to one Oscar L. Seabourn on the 9th day of April, 1894, while the certificate of marriage filed in this case discloses the fact that the applicant was married to Oscar L. Seabourn on the 8th day of April, 1894.

It is directed that copies of this statement be filed in this case, and that the errors as to the age of Joy C. Seabourn, and as to the date of the marriage of the applicant to Oscar L. Seabourn, be corrected when this case is reached in examination in its regular order.

In the matter of the application of Sadie L. Seabourn for the enrollment of herself and children as citizens of the Cherokee Nation.

SADIE L. SEABOURN, being duly sworn and examined by the Commission, testified as follows:

Q What is your name? A My name has always been enrolled as Sadie L. Seabourn.
Q I don't care anything about that; I want to know what your name is? A Well, Sarah.
Q Is your correct name Sarah L. Seabourn? A Yes, sir.
Q What is your correct name, how were you christened? A Well, Sarah L. Seabourn.
Q How old are you? A I am 31.
Q What is your postoffice address? A Grove, Indian Territory.
Q You have heretofore applied to this Commission for the enrollment of your husband, yourself and children as citizens of the Cherokee Nation, have you? A Yes, sir.
Q When you appeared before the Commission at Vinita, Indian Territory, in September, 1900, in answer to the question, "what is your name" you stated that it was Sarah L. Seabourn; now is that your correct name? A Yes, sir, that's my correct name; but I think I give it in at that time as Sadie L. Seabourn, because you see my marriage certificate shows that my name is given in as Sadie L. Seabourn.
Q Now how do you want to be enrolled, under the name of Sarah or Sadie L. Seabourn? A I want to leave that with the Commission; if they thought it would go through all right as Sarah L. Seabourn I don't care anything about it.
Q Is your correct name Sarah L.? A Yes, sir.
Q Now it don't make a particle of difference to the Commission? A How come me to notice it was on that other enrollment why my father give in my name as Sadie L.; that's all the difference it makes.
Q Now we would like to know, Mrs. Seabourn, under what name you desire to be listed for enrollment; it doesn't make a particle of difference to the Commission whether as Sadie L. or Sarah L. We would like to know what name you want to be enrolled under? A Well, as my name on my marriage certificate is Sadie L. and the other enrollment is Sadie L. I believe that I would rather it would go through as Sadie L.
Q As a matter of fact that isn't your name at all, is it? A Well, it is just a pet name, it's just a short abbreviation, and of course my name was given in as Sarah; but then as the other names were all that way I just supposed it ought to go through that way. But if you think it don't make any difference why it can be put down as Sarah.
Q Now as to the age of this child of yours, Joy, how old is she? A Well, she will be seven years old the 6th of June. She was born in 1894, 6th of June, 1894.
Q And when were you married? A I was married--born in 1895, I was married in 1894.
Q What day? A 8th of April, 1894. I suppose my marriage certificate is here.
Q You desire to be listed then for enrollment under the name of Sadie L. Seabourn, do you? A Yes, sir, I think it would be better.

It is directed that the name of the applicant as it appears on the enrollment card and throughout the original testimony, Sarah L. Seabourn, be changed to Sadie L. Seabourn, and that she be listed for

enrollment as a citizen of the Cherokee Nation under the name of Sadie L. Seaborn instead of Sarah L. Seaborn.

Arthur G. Croninger, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he reported in full the testimony and proceedings in the above case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

In the matter of the application of John H. Hill et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: It is found upon review that the field judgment shows that a certificate of birth is still to be filed for the child, Mamie E. Hill. An approved certificate was filed for this child on November 9,1900.

It is observed that the applicant was lawfully married to his present wife in May, 1895, and thathis oldest child enrolled in this case was 12 years of age at the time of the application, September 18,1900. According to the evidence this child could not have been born of this wife in wedlock, and the name of the mother of this child is not given on the enrollment card. This case will be held up, therefore, for the present, to make furhher inquiry in regard to parentage of this child.

A copy of this statement will be filed with the case.

Com'r Breckinridge:

The applicant applies for the enrollment of himself, wife and five children: He and his wife are identified on the rolls of 1880 and 1896 as native Cherokees. They have lived in the Cherokees Natin ever since their enrollment in 1880. Her change of name is establish ed by the testimony ~~xxxx~~ x of the applicant and his wife's father. They will both be listed now for enrollment as Cherokees by blood. As to their five children: The first four, as enumerated in the testimony, are identified with their parents on the roll of 1896. They are all living at this time, and they will be listed now for enrollment as Cherokees by blood. The youngest child, John L, making five in all, is too young to be upon any roll. When the Commission is supplied with a proper certificate of the birth of this child, then it also will be listed for enrollment as a Cherokee by blood.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest for share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens rendered in the Department and in this

orders, and that he be authorized to make similar entries on the
epitaph of the roll in the possession of the Crown.

In the opinion of the Council this policy will avoid
friction in the future, and it is recommended that this decision
Commissioner be authorized to take the action requested by him.

Very respectfully,

(Signed) C. H. Mitchell,

Acting Commissioner.

SPECIAL.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 6, 1907 (Land 7838), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al., vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1, 145 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 198 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas B. Chatham, opposite No. 22254, and of Adeline Ratlinggourd, opposite No. 22260, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series on numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest for share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in w[illegible]

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office this action will avoid confusion in the future, and it is recommended that this Office and Commissioner be authorized to take the action suggested by him.

Very respectfully,

(Signed) C. F. Larrabee,

Acting Commissioner.

SPECIAL.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7838), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al., vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1, 143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 24, 1907.

You now transmit the names of 195 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas D. Chatham, opposite No. 22284, and of Adeline Reilingwerd, opposite No. 22360, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series on numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

(Thos. Ryan,

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled ''An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes,'' (Public No. 241), provides that ''the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two.''

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law,, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid corrections in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

E. F. Larrabee.

Acting Commissioner.

DEPARTMENT OF THE INTERIOR, LRS

DIRECT WASHINGTON.

I.T.D.2444-1907. February 9, 1907.
LRS.

SPECIAL.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 8, 1907 (Land 7538), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U.S., 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas D. Chatham, opposite No. 22254, and of Adaline Ratlinggourd, opposite No. 22260, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

(Signed) Thos. Ryan,

First Assistant Secretary.

DIRECT.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 20, 1907, you transmitted a report, direct, in the matter of the application of Stacy E. Perry for enrollment as a citizen by intermarriage of the Cherokee Nation.

It appears that the name of Stacy E. Perry appears opposite number 170 on a schedule of intermarried white citizens of the Cherokee Nation.

You recommend, for the reasons stated, that the Department strike the name of this applicant from said schedule, and that her application for enrollment as a citizen by intermarriage of the Cherokee Nation be denied.

In view of the opinion of the Attorney General, dated February 26, 1907, in the Cherokee enrollment case of John W. Gleaves, the Department does not concur in your recommendation, and your action in enrolling said Stacy E. Perry upon a schedule of intermarried white citizens of the Cherokee Nation is approved.

The papers are returned for the files of the Indian Office, together with a carbon copy hereof.

Respectfully,

(Signed) E. A. [illegible]

Assistant Secretary.

Dear Madam:

In reply to your letter of January 8, in reference to the enrollment of your minor child, Opel K. McNair, as a citizen of the Cherokee Nation, you are advised the records of this office show that your child has not yet been placed upon a schedule of citizens of the Cherokee Nation and approved by the Secretary of the Interior. The records seem to show, however, that your child is, prima facia, entitled to enrollment, and if this be correct, you will be permitted to appear at any time in the near future and make an application for the selection of an allotment of land in the Cherokee Nation for your said child, and in the event of her final enrollment, the land for which you apply will be allotted to her.

You will be promptly informed when your child is finally enrolled as a citizen of the Cherokee Nation.

Respectfully,

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

.....
Commissioner.

Cherokee No. 2867

ADDRESS ONLY THE
COMMISSION TO THE FIVE CIVILIZED TRIBES

Muskogee, Indian Territory, September 29th , 1902.

Laura Jackson,

Claremore, Indian Territory.

Dear Madam:

The Act of Congress, approved July 1, 1902, and entitled ''An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes,'' (Public No. 241), provides that ''the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two.''

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Acting Chairman.

Christopher C. Clepper,

Vinita, Indian Territory.

Dear Sir:

The Act of Congress, approved July 1, 1902, and entitled ''An Act To provide for the allotment of the lands of the Cherokee Nation, for the disposition of town sites therein, and for other purposes,'' (Public No. 241), provides that ''the roll of citizens of the Cherokee Nation shall be made as of September first, nineteen-hundred and two.''

In accordance with said provision, you are hereby notified that the Commission to the Five Civilized Tribes will be at its offices at Muskogee, Indian Territory, until Friday, October 31, 1902, inclusive, for the purpose of affording you an opportunity to show that you have not, between the date of the original application for your enrollment and Sept 2, 1902, forfeited your right as a citizen by intermarriage of the Cherokee Nation.

This evidence should be introduced immediately, as it is necessary in determining your right to share in the allotment of the lands of the Cherokee Nation, and until the same is furnished no further action can be taken looking toward your final enrollment as an intermarried citizen.

Yours truly,

Dear Sir:

The Commission is in receipt of birth affidavit in the matter of the application for the enrollment as a citizen of the Cherokee Nation of Nora Countryman, infant child of yourself and Allie Countryman.

You are requested to have this affidavit corrected so that your name will appear therein as it appears upon the Commission's records, John M. Countryman.

Q You always lived in the Indian Territory ? A Yes sir.

THE COMMISSIONER: The applicant, Mrs. Mary Brown, is identified on the rolls of 1880 and 1896, as a native Cherokee. She has lived in the Cherokee Nation all her life. Her change of name is accounted for by her marriage, which is established by her evidence, her husband's testimony. She ill be enlisted now for enrollment as a Cherokee by blood. Her husband Thomas Brown acquired no rights through the present marriage, as he presents only a certificate of marriage and no license was procured. As regards the Cherokee marriage, he makes his claim through a marriage to one Catherine Cook in the year 1880, and presents a Cherokee license and certificate to that effect. The same are filed herewith. According to his own testimony they lived together some two years and he then left her. She died shortly after that time. He apparently has continued his residence in the Cherokee Nation, and was married to his present wife in 1889. It seems highly probable that, from the testimony, he abandoned his original Cherokee wife, and by that act lost his Cherokee rights. For the present judgment will be suspended in his case to give him some further consideration, and it will be carded on a doubtful card.
Q Mrs. Brown, whose child is this ? A Mr. Brown's child.
Q Who is its mother ? A It is my child.
Q You claim it as your own child ? A Yes sir; it is my child.
Q And is the child living at this time ? A Yes sir.

THE COMMISSIONER:

The child Henry F. Brown is identified with its mother on the roll of 1896. She claims it as her own child, born before her Cherokee marriage by her husband, but it is entitled by blood to [illegible] as a Cherokee by blood.

The undersigned being duly sworn, states that as Stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and other proceedings in the above application, and that the foregoing is a correct and complete transcript of his stenographic notes thereof.

In the matter of the application of Rollin R. Hill for the enrollment of himself, his wife, Nannie M., and children, Clara M., and Clyde R. Hill as citizens by blood of the Cherokee Nation. No. 2882.

ROLLIN R. HILL, being duly sworn and examined by the Commission, testified as follows:---

Q What is your name? A Rollin R. Hill.
Q How old are you? A I was born in '75. I guess I am about 28 or 9.
Q What is your post-office? A Oseoma.
Q Was your post-office Fairland when you enrolled? A I often gave it in as Fairland, but it was two and a half miles from there.
Q Is your wife named Nannie M.? A Yes sir.
Q Is she a Cherokee by blood? A Yes sir.
Q She was admitted to citizenship in the Cherokee Nation by the Cherokee National Council? A Yes sir.
Q In what year? A '88, I think.
Q Was her mother admitted? A Yes sir, both admitted.
Q What is her mother's name? A Malinda Young at the time she was admitted.
Q Has your wife some older brothers? A Yes sir.
Q Give their names? A John W., I believe, and James L., and Robert A., I think. I think those are the middle names and the first names.

BY THE COMMISSION:

It is shown by an examination of a copy of the list of persons admitted and re-admitted to Cherokee citizenship by the National Council and Commissions on citizenship, in the year 1880, and since that year, that the name of the applicant's wife appears therein with the members of her family, as Nannie M. Young, a female, aged 11 years at that time, as having been re-admitted "by Com. July 13, '88". A copy of the list referred to was formerly in possession of the representatives of the Cherokee Nation.

Q When did your wife come to the Cherokee Nation after she was admitted? A Right away, or probably they were here before. I don't remember, but I think they made application after they had removed to this country. I can not answer positively because that conversation never has occurred, of course, in the family since I married in the family.
Q How long have you known your wife? A Ever since they came here.
Q Did you know her as far back as 1880? A Yes sir, I did. They first came to Prairie City east of Fairland about three miles, and I lived at Oseoma at that time and I remember seeing them when they first came to the Territory.

Q She was a child then? A Yes sir.
Q Prairie City, near Fairland; is that in the Cherokee Nation?
A Yes sir. Used to be Prairie City; they call it Ogeechee now.
Q Have you known your wife continuously since then? A Yes sir.
Q Has she resided in the Cherokee Nation continuously since then? A Yes sir.
Q Never has made her home anywhere else? A No sir.

Dear Madam:

This office is in receipt of your letter of June 23, 1906, in which you state that you are a Shawnee Indian and want to be reinstated in the Indian Territory, and that you now desire to make application for the enrollment of yourself and children.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Nancy A. White as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 17, 1900, James K. White appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of his wife, Nancy A. White, as a citizen by intermarriage of the Cherokee Nation. The application also included himself and his three minor children, but they have been included in the partial list of Cherokee citizens by blood approved by the Secretary of the Interior November 14, 1902. Further proceedings were had in the matter of said application at Muskogee, Indian Territory, on October 8, 1902, and on October 14, 1903.

The evidence shows that Nancy A. White was married on June 28, 1891, to James K. White, a Cherokee citizen by blood, who, at the time of said marriage, had a living wife from whom he had not been divorced.

Section twenty-one of the Act of Congress approved June 28, 1898, (30 Stats., 495) provides for the enrollment of Cherokee citizens "with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Section 688 of the laws of the Cherokee Nation (1892) is as follows:

"All marriages which are herein prohibited on account of consanguinity between the parties, or on account of either of them having a former husband or wife then living, shall be absolutely void in this Nation, without any judgment of divorce or other legal proceeding."

It is, therefore, the opinion of this Commission that the application for the enrollment of Nancy A. White as a citizen by intermarriage of the Cherokee Nation should be denied, and it is so ordered.

Commission to the Five Civilized Tribes,
Muskogee, Indian Territory.

Gentlemen:

In the matter of the application for the enrollment of James R. White, et al, Cherokee #2690, it appears from a note on the card that on December 22nd, 1902, a decision was written denying Nancy A. White. At that time the stenographic notes of the supplemental testimony taken on October 14th, 1902, had not been transcribed. The same have now been written up and the original copy of the testimony is herewith transmitted in order that the decision may be rewritten in accordance with the facts.

A copy of the record in the divorce proceedings in James White vs. Mary White is probably attached to the original papers in possession of the Commission at Muskogee, and the original is, therefore, retained in the files of this division.

Respectfully,

Clerk in Charge.

1896 enrollment; page 1108, #1023, Sarah E. Fincher, Tahlequah.
1896 enrollment; page 1108, #1024, Virgil Fincher, Tahlequah.
1896 enrollment; page 1108, #1025, Elmer Fincher, Tahlequah.
1896 enrollment; page 1131, #27, George W. Adair, Tahlequah.

Com'r Breckinridge:--The applicant applies for the enrollment of herself, her imbecile brother, for whom she is guardian, and for three children of her own. She was married to her husband, she states, under United States law and no application of made for him. She is identified on the roll of 1896 under her married name. She is shown by the official copy of the act of the National Council of the Cherokee Nation, to have been admitted to citizenship January 2, 1891. This act is cited inthe testimony. She has lived in the Cherokee Nation ever since the pass age of that act. She is not able to establish her change of name from the act of the Council to her enrollment under her married name, and therefore until she produces a certificate of her marriage, or satisfactory personal evidence, she will be placed upon a doubtful card. Her two children, James W. and John A., are identified with her on the roll of 1896. They will be placed with their mother upon a doubtful card until her marriage is further established. When she produces satisfactory certificate of the birth of child, Alvin R., this child will likewise be listed with its mother upon a doubtful card, subject to the same conditions as have been named for its mother.

How as regards the application for the enrollment of her brother George W. Adair? He is identified on the roll of 1896, and is identified also in the act of admission submitted by the applicant. A requirement in that act is that the rights shall not accrue to any of the parties named, until they permanently locate in the Cherokee Nation. This man has not located in the Cherokee Nation, not has he ever permanently located in the Cherokee Nation. Owing to his demented condition and dependance upon his mother who lives in Arkansas, he will, for further consideration of this case, be placed upon a doubtful card; it being stated that he did come to the Cherokee Nation for a while.

Sarah E. Fincher----5.

Since the above decision the applicant has presented a duly authenticated marriage license and certificate filed herewith, and she and her children will now be listed for enrollment as Cherokees by blood, Upson Straight card.

J.G.Reason, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON. February 14, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

On January 19, 1907, the Office transmitted the decision of the Commissioner to the Five Civilized Tribes relative to applications for the enrollment of Frank Howard, et al, as citizens by intermarriage of the Cherokee Nation. The decision includes the applications of seventy-two persons found by the Commissioner to be not entitled to enrollment under the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al, against the United States.

It appears from the record in the case that the names of all the applicants are found on the authenticated 1880 roll of citizens of the Cherokee Nation, and the Office in transmitting the record did not consider this phase of the case. On January 31, the Department was requested to return the record in the case for further consideration by the Office. It was returned with Department letter of February 6, 1907, I.T.D. 1390.

With reference to the names of these applicants being on the 1880 roll Mr. Bixby says:

> THE RECORDS FURTHER SHOW: That the names of said persons appear upon the Cherokee authenticated roll of 1880; that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

As the applicants were not married to citizens by blood of the Cherokee Nation in accordance with the laws, usages and customs of the tribes prior to November 1, 1875, they are not entitled to enrollment, unless it be by virtue of their names being on the 1880 roll. By the provisions of section 21 of the Act of June 28, 1898 (30 Stat.L., 495), the roll of Cherokee citizens of 1880, not including freedmen, is confirmed, and the Commission is directed to enroll all persons whose names are found on that roll and their descendants born since the date of the roll. It is then provided that other rolls shall be examined and that the names of all persons found on the other rolls and placed thereon by fraud or without authority of law shall be enrolled.

The only question in the case seems to be whether a confirmation of this roll by Congress entitles a person whose name appears on said roll to enrollment as a citizen of the Cherokee Nation who would not otherwise be entitled to such enrollment.

The Supreme Court in the case of Hofire vs. the United States (164 U.S., 49[illegible]) said:

(Syllabus)

The fact that a marriage license has been issued carries with it a presumption that all statutory prerequisites thereto have been complied with, and one who claims to the contrary must affirmatively show the fact.

.....

The evidence shows that the deceased sought, in his lifetime, to become a citizen of the Cherokee Nation, took all the steps he supposed necessary therefor, considered himself a citizen, and that the Cherokee Nation, in his lifetime, recognized him as a citizen and still asserts his citizenship. Held, that, under these circumstances, it must be adjudged that he was a citizen by adoption, and consequently that the jurisdiction over the offence charged is, by the laws of the United States and treaties with the Cherokee Nation, vested in the courts of that Nation.

In the case of Daniel Red Bird, et al vs. the United States the Supreme Court said:

The roll of 1880, made by the Cherokees, was a census roll, and its confirmation was not intended to create any rights which citizens of the Cherokee Nation had not before enjoyed, but merely to furnish the basis for making up the roll of citizens. Section 21 was in reality a statement that no previous act of Congress was intended to confirm any other roll of the Cherokee Nation.

.....

Section 31 of the Act of July 1, 1902, says that no person whose name does not appear on the roll made by the Commission to the Five Civilized Tribes "shall be entitled to in any manner participate in the distribution of the common property of the Cherokee tribe, and those whose names appear thereon shall participate in the manner set forth in this act." In other words, the roll must be made up of citizens who under the laws of the Cherokee Nation were entitled to participation in the distribution of the common property of the Cherokee tribes.

The concluding words of section 21, "with such intermarried white persons as may be entitled to citizenship under Cherokee laws," emphatically indicate that Congress had the Indian citizen in mind in all that went before and limited enrollment of white persons to such as might be entitled to citizenship under Cherokee laws.

From the foregoing quotations it is evident that the Supreme Court makes a distinction between citizens having political rights only and those having all rights, including the right to share in the distribution of the land and other property of the Cherokee Nation. This being true, it is evident that Congress did not intend that any person should be given the right to share in the property of the Cherokee Nation simply because his name was on some roll of the nation that had been confirmed by Congressional action unless it is there as a full citizen and not as a citizen with political rights only.

The Office is of the opinion that the persons whose names appear in the record enclosed are not entitled to enrollment as citizens by intermarriage of the Cherokee Nation, and the approval of the Commissioner's adverse decision is recommended.

C. F. Larrabee,
Acting Commissioner.

WASHINGTON.

February 20, 1907.

Commissioner to the Five Civilized Tribes,

Muskogee, Indian Territory.

Sir:

On February 14, 1907 (Land 12403), the Indian Office transmitted your report dated January 10, 1907, in the matter of the applications for the enrollment of Frank Howard and seventy-two others as citizens by intermarriage of the Cherokee Nation, together with your decision, adverse to said applicants.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

It appears that the names of said persons appear upon the Cherokee authenticated roll of 1880 and that they possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875.

In view of the decision of the Supreme Court of the United States dated November 5, 1906, in the case of Daniel Red Bird et al. vs. the United States, it is considered that your deci-

ciam, adverse to these persons, is correct, and it is hereby affirmed.

The papers in the case and a certed copy hereof have been sent to the Indian Office.

Respectfully,

Thos. Ryan.

His name also appears upon the rolls now in possession of the representatives of he Cherokee nation of Shawness that were admitted in accordance with the 15th article of the treaty with the United States upon the 11th day of August, 1866. He avers that he was married to his wife, Ann Richardson, a white woman in the year '94, and her name appears upon the census roll of '96. It will be necessary for him also in order to perfect the enrollment of his child, George T., to file satisfactory proof as to his birth. The applicant will be allowed to file any records, certified copies of the same, or testimony in regard to his enrollment and that of his children, at any time before the Commission makes final judgment as to his case, and he will be notified of the decision of the Commission by mail when arrived at.

George W. Johnson,

Afton, Indian Territory.

Dear Sir:

You are hereby notified that before your application for the enrollment of your son, Thomas Johnson, as a citizen by blood of the Cherokee Nation will be complete, it will be necessary that you introduce further evidence establishing the residence of this child in the Cherokee Nation.

This testimony can be presented at the Cherokee Land Office of this Commission at Tahlequah, and should be introduced at the earliest possible date, as until it is introduced the Commission can not well determine his right to be placed upon the final roll of citizens of the Cherokee Nation.

When you appear, please present this letter.

Respectfully,

Cherokee Land Office.

C. W. Johnson,

Afton, Indian Territory.

Dear Sir:

The Commission is in receipt of your letter of December 19, acknowledging receipt of a notice that further testimony is required in the matter of your application for the enrollment of your son, Thomas Johnson, as a citizen by blood of the Cherokee Nation. You state you were under the impression that you enrolled this child when the Commission was at Vinita, and ask if you can now go before a notary public and have him take your evidence.

In reply, you are advised that, on September 27, 1900, at Vinita, I.T., you made application to this Commission for the enrollment of your son, Thomas Johnson. The evidence taken at that time did not, however, clearly establish his residence and before the application will be complete, it will be necessary that further testimony as to his residence be introduced.

The Commission does not accept affidavits as evidence in applications for enrollment and the testimony should be personal testimony and presented before the Cherokee Land Office of this Commission at Tahlequah. Your own testimony will probably be sufficient and is the evidence most desired by the Commission.

Respectfully,

Commissioner in Charge.

Charles Cornsilk,

Afton, Indian Territory.

Dear Sir:

You are hereby notified that before the application for the enrollment of your wife and children as citizens by blood of the Cherokee Nation will be complete, it will be necessary that you introduce further testimony from which your wife, Eliza, can be identified upon the 1880 authenticated roll as a citizen by blood of the Cherokee Nation.

This testimony can be presented at the Cherokee Land Office of this Commission at Tahlequah, and should be introduced at the earliest possible date, as until it is introduced the Commission can not well determine their right to be placed upon the final roll of citizens of the Cherokee Nation.

When you appear, please present this letter.

Respectfully,

Commissioner in Charge
Cherokee Land Office.

Afton, Indian Territory.

Dear Madam:

The Commission is in receipt of your letter of August 9, asking to be advised as to what testimony is required in order to identify your name upon the 1880 authenticated Cherokee roll.

In reply you are advised that in your original application for enrollment your name was not identified upon the 1880 authenticated roll although it is shown that you are old enough to have been upon said roll; neither is your name definitely identified upon the 1896 census roll.

You are therefore requested to appear before the Commission at its offices in Muskogee, Indian Territory, at the earliest possible date and introduce the testimony of such witnesses as you may be able to procure, who have been acquainted with you since your birth and who can testify as to the name under which you appear on the tribal rolls of the Cherokee Nation. Please give this matter your immediate attention.

Respectfully,

Chairman.

Dear Madam:

On August 9, 1904, you wrote the Commission asking to be advised as to what testimony would be required in order to identify your name upon the 1880 Authenticated Cherokee Tribal Roll. In reply you were advised that in your original application for enrollment your name was not identified upon the 1880 Authenticated Roll of the Cherokee Nation, and could not be definitely identified upon the 1896 Census roll.

You were requested, at that time, to appear before the Commission at its offices in Muskogee, Indian Territory, at the earliest possible date, and introduce the testimony of such witnesses as you might be able to procure, who had been associated with you since your birth and who could testify as to the name under which you appear on the tribal rolls of the Cherokee Nation.

The testimony desired has not been furnished the Commission, and you are again requested to see that this is supplied, as such evidence is very essential to the disposition of your case.

Respectfully,

Tams Bixby.

Dear Sir:

You are advised that before your application for enrollment, as a citizen of the Cherokee Nation, will be complete, it will be necessary for you to appear before this Commission and introduce evidence tending to establish your citizenship in the Cherokee Nation, and to identify, if possible, your name on the 1880 Authenticated Tribal Roll.

You are advised that this evidence can be introduced at any time, at the office of the Commission, at Muskogee, Indian Territory, and should be introduced at the earliest possible date, in order that your rights as a citizen of the Cherokee Nation may be finally determined.

Respectfully,

STATEMENT AND ORDER.

Commissioner Breckinridge: In Cherokee straight case No. 2903, entitled Jasper A. Plank, and others, it appears upon review that the name of his wife, Marsilla, varies somewhat in spelling; she is at present listed for enrollment under the name just given. It is found upon consulting her marriage license that her name is spelled in this manner, and also upon consulting the enrollment memorandum and the enrollment card that in answer to a direct question this spelling was given. This is considered, therefore, as the correct spelling of her name. It is also found upon the present examination of the case that since the application was first made September 18,1900, there has been filed a duly authenticated affidavit of birth for a child, born February 22, 1901, Uziel S. Plank; this child will consequently be added to the enrollment in this case as a Cherokee by blood. In signing this affidavit the mother also spells her name according to her present enrollment.

A copy of this statement will be filed with each copy of the testimony in this case.

Department of the Interior,
Commission to the Five Civilized Tribes,
Vinita, I.T., October 23,1901.

In the matter of the application of James M. Armor et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Brookinridge: In Straight Cherokee Case, No. 2904, the same being entitled James M. Armor, et al., it is found upon review that the enrollment of James M. Armor in 1896, page 293, No. 34, is given as Thomas M. Armor. Upon consulting the roll this is found to be an error in that he is entered there as James M. and not as Thomas M. He is given in the caption of the testimony as James M., is mentioned in the field judgment as James M., is given on the enrollment card as James M. and it is obvious that the insertion of the name Thomas in the testimony which pretended to give his 1896 enrollment was erroneous, and he is correctly listed now as James M. Armor.

As regards the youngest child of this family, James O. Armor, this child is mentioned in the testimony as Thomas Oliver Armor. Upon consulting the roll of 1896 he is found there as James O. Armor as indicated in the testimony statement of his enrollment. He is also mentioned in the field jusgment as James O. and on the enrollment card as James O., and hence the conclusion is inevitable that his present enrollment as James O. Armor is correct, notwithstanding a single variation in the statement of his name in the testimony.

There is filed in this case a duly authenticated marriage license under date of the 20th of November, 1895, authorizing the marriage between the husband and wife, as set forth in this application, and also a marriage license showing that they were married on November 18,1895, by the Rev. Ned Forrest. These papers are filed with the case, and these applicants appear to be all duly entitled to enrollment as Cherokees by blood, except James M. Armor, who appears to be unquestionably entitled to enrollment as a Cherokee by intermarriage.

M.D.Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony in this and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Vinita, I.T., October 23, 1901.

In the matter of the application of Marcellus L. Baker ~~fax~~ et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: In Cherokee straight case No. 2905, entitled Marcellus L. Baker, et al, it is found upon review in this case that the applicant's wife's name and age are not included in the testimony as reported, but the marriage license filed with the case shows that her given name is Eliza, and the enrollment card shows that her age at the time of the application, September, 18, 1900, was 32 years; this is considered satisfactory evidence of the name and age of the applicant's wife at the time of the application, and, in addition his wife is identified on the roll of 1880 and on the roll of 1896 under the given name of Eliza. She is deemed therefore to be properly listed at this time for enrollment. A copy of this statement will be attached to each copy of the testimony in this case.

Q. Wasn't that the only cause he ever offered? A. Yes, sir.
Q. Didn't Mr. Baker tell you further that he regretted that you had lived together so long and then be broken up by that kind of a man? A. No, sir.
Q. You didn't pay any attention to it? A. No, sir; because I wasn't interested in it.
Q. You know where Mr. Pfeister is? A. No, sir. I don't know where he is. I don't want to know. If you want to know ask Mr. Baker, I understand he knows.

COMMISSION
APR 15 1935

LAD.

Department of the Interior,
Commission to the Five Civilized Tribes,
Vinita, Indian Territory, January 30th, 1903.

In the matter of the application of Marcellus L. Baker for the enrollment of himself as a citizen by intermarriage and for the enrollment of his wife, Eliza Baker, and his children, Freddie E. and Etta M. Baker, as citizens by blood of the Cherokee Nation.

Supplemental to Cherokee #2905.

Appearances:

James S. Davenport for Applicant.
J. C. Starr for Cherokee Nation.

Marcellus L. Baker, being duly sworn, testified as follows:

Examination by Mr. Davenport.

Q. What is your name? A. Marcellus L. Baker.
Q. Where do you live? A. Live at Oolagah.
Q. Are you the husband of Eliza Baker? A. Yes, sir.
Q. When were you and she married? A. We was married in '90.
Q. When did you separate, if at all? A. Well, our difficulty arose about August 15th, 1900.
Q. Where were you living at that time? A. Living about a mile and a half southwest of Oolagah.
Q. What was the difficulty, as briefly as possible?
A. Well, I had a fellow by the name of Fred Pfeister working for me and he caused me to suspicion--or she did--that there was something a little too familiar between them. This was, I guess, a month or two before this trouble that the suspicion came up. I noticed things was going a little bit more worse. Every time I come I caught them in a position that didn't look just right. Their actions convinced me things wasn't just right. On this day that this trouble came up-----
Q. Give the date of it? A. I believe it was about the 15th. Why, Fred Smith, my partner was there. We was just making arrangements to quit threshing and in the afternoon we was sitting out in the yard talking and I wanted to know of Fred Pfeister why he didn't visit around Sundays. He remarked he didn't have no horse. I told him he could get a horse in the stable. I said I had a saddle. But he didn't seem to care so much about going until after dinner. After dinner he came down stairs and Fred Smith said, "Fred, I thought you were going to town this afternoon." He said, "I believe I will pull out." Fred Smith, as quick as he could right after dinner, he went up to my brother's after a wagon box so he could go over home. In the first place she sent the children off on that day. One was over to my sister's, the other one went to Sunday school with the hired girl, after Fred Smith made arrangements to go home. She wanted the little girls to go with him--she wanted them to go with Fred. They didn't do it. They didn't go off when he went. I didn't think any more about this matter until I heard her talk to this fellow about making a trip down the creek.

After Smith got away, along about 3 o'clock in the afternoon, she says, "I believe I will go down to the plum thicket and see of the plums are ripe." I turned around and saw my brother coming in the buggy. She stayed there a minute to see if his wife was with him. She saw she wasn't and went on. In a few minutes he drove up. She went on down where she started. As quick as my brother drove up these things run through my mind--their general actions that day. When he drove up I said, "Frank, something is wrong. From the circumstances, certainly something is wrong." He didn't know a thing about it. Well, after he come there we, the first thing, went down to the stable to see if the horse was gone. When we went to the stable and the horse was there I said, "I will bet you a $5 hat we find him down on the branch."

Objected to.
Objection noted.

We went on down there to the plum thicket. We found Pfeister sitting on a rock with his back to us. I stood there. When I first saw him I didn't know what to do. When I was standing there he rose up. He saw us and dropped his head on his hands. I said, "I though you were going to town." He said, "I got such a headache I thought I wouldn't." I said, "This is a funny place for a man with the headache." I made an effort to go farther to see if I could find her. I knew she would come that way. It was terrible hot, the weeds grow up there. I came back.

Q. What did you do after you got back? A. I took him to task about it, what he was there for. He commenced putting up all kinds of excuses. I said it looked too plain to me, he need not try to deny it. I knew what he was there for. I said, "This kind of work won't do." I settled up with him. I didn't give him his money, I couldn't get his money then. "Now," I says, "I will go to town with you and if we can get the money you pull your freight. I have seen all I want." On the way down he made a confession to the whole thing. I was right there. He confessed all, what he was there for.

Q. Did you speak to Mrs. Baker? A. Yes, I called her attention to it.

Q. What did she say? A. She said like he had said, there was nothing in it. I told her I was convinced from what I heard that morning. She just made the remark she hadn't been true to me but would be under certain circumstances.

Q. State what the circumstances was? A. If I would sell out what stuff we had and go where her people or mine wouldn't hear of it she would be true the balance of her days. I thought there was no use trying to get out of it.

Q. Did you live with her after that? A. No, sir.

Q. You had been married about how many years? A. 10 years.

Q. What was his confession; was there anything to it?

A. Why, he up and told how he come to be there.

Q. I want to know whether there was any intimacy between them? A. He said there wasn't at that time; because they hadn't come together yet. That was his statement. They had at other times.

Q. Did he say whether he made any arrangements? A. He said there was arrangements. They planned for him to go down there and she would come at the first opportunity she could.

Q. Do you know whether he made any affidavit?

Objected to as the affidavit is the best evidence.
Objection noted.

A. Yes, sir.

Q. Do you know before whom he made it? A. Yes, sir.
Q. Were you present? A. Yes, sir.
Q. Now, Mr. Baker, were you present, with Pfeister, in Skidmore's office in the town of Oolagah, when this transaction took place? A. Yes, sir.
Q. Did Pfeister make any statements in your presence, or to you in Skidmore's presence, what he had done? A. No, sir; nothing only acknowledging that was the truth.
Q. Was there anything done there or statement made?
A. Before Skidmore?
Q. Yes. A. No, sir.
Q. You weren't present when the statement was sworn to before Skidmore? A. Yes, sir.
Q. Well, what were the statements made there in your presence, the substance, as you remember?

Objected to because it is immaterial and irrelevant.
Objection noted.

Q. There was nothing took place more than he acknowledged to this statement before Skidmore.
Q. What was the statement? A. Why, the statement was that he had made arrangements to meet there on this day with her and that he had met her before.
Q. Met her before, what for? A. Had sexual intercourse with her before.
Q. That is the point? A. That he had had sexual intercourse with her before this time.

BY MR. STARR:
Objected to. To prove that Mr. Pfeister should be before the Commission himself.

BY THE COMMISSION:
The objection will be noted.

BY MR. DAVENPORT:
Q. Do you know where Pfeister is, Mr. Baker? A. I don't know positively, only what I was told where he was at two weeks ago.
Q. Where have you heard that he was? A. I heard that he was at Wayside, Kansas.

Examination by Mr. Starr.

Q. You say that you suspicioned there was something wrong between your wife and Mr. Pfeister something like a month before this trouble occurred? A. Yes, sir.
Q. Still you permitted him to stay there? A. Well, the suspicion at that time wasn't enough to justify me to act.
Q. Why did you keep him? A. The contract was I pay him for the summers work. We hadn't threshed yet. What I seen at that time was enough. It proved to be more after this occurred.
Q. Well, did you see anything suspicious after that?
A. No, sir.
Q. He was around there after that? A. Yes, sir; he was there.
Q. You never saw anything out of the way? A. I wasn't there only off and on.
Q. When you were there you didn't see anything out of the way?
A. No, sir; nothing particularly out of the way.
Q. I believe you said a while ago that when your wife went to that plum thicket she told you? A. Yes, sir.

Q. You knew where she was going? A. Yes, sir.
Q. You knew where the plum thicket was? A. Yes, sir.
Q. How far is this rock from the plum thicket? A. About 2oo rods, 25o.
Q. How far? A. About 2oo yards, I presume.
Q. Did you see your wife down there? A. No, sir.
Q. Did you see her where Pfeister was? A. No, sir.
Q. What was Pfeister doing there? A. Sitting on the rock; wasn't doing anything.
Q. Was that all you ever saw out of the way with your wife and Pfeister? A. Yes, sir.
Q. Is that all, just because you saw him on the rock?
A. No, sir.
Q. What else? A. His confession and hers to these facts.
Q. You kept Pfeister there the next day? A. Yes, sir; he was there the next day. I was trying to get his money and I got his money Tuesday, I believe.
Q. Then he stayed there the next day after this happened?
A. Part of the day.
Q. When did you first say anything about this? A. To my wife?
Q. To Pfeister? A. On that same day.
Q. You testified before the master in chancery, didn't you?
A. Yes, sir.
Q. I will ask you-- in answer to the following question, "There was nothing said about it until the following Wednesday?" Answer, "It must have been Tuesday or Wednesday, might have been Tuesday."

BY MR. DAVENPORT:
That is referring to the woman there.

BY THE WITNESS:
That is my understanding. Monday, I believe, I spoke to her first. I think it was the next morning I called her attention to it.

BY MR. STARR:
Q. Well, the testimony taken before the master in chancery shows that you saw Pfeister down there on the branch on Sunday?
A. Yes, sir.
Q. You stated that you both went back to the house together on this Sunday afternoon and there was nothing said about it until the following Wednesday. A. It certainly must have meant her; because I didn't say anything to her. I just spoke about it on Monday, then Tuesday morning I called her attention to it in general. We talked the matter over from the time we ate breakfast until time to get----

Objected to as not cross examination.
Objection noted.

Q. Well, now, Mr. Baker, when did you speak to Mr. Pfeister about this matter? A. I spoke to him on that day.
Q. Did you settle up with him then? A. I had settled up with him that same morning. Well, I finished before that, but I expected to turn him loose as soon as I could get the money.
Q. Did you and Pfeister have some trouble about this settlement? A. No, sir.
Q. How long did you keep him there after this trouble occurred? A. He was there until sometime Tuesday. I called the doctor to see the little girl that morning. I tried to get the money of him. I failed to get it. I thought I wouldn't pay him anything, then I thought they would swear that him is the reason

this difficulty came up, to run him off and never pay him anything.
Q. Did you pay him? A. Yes, sir.
Q. Was he around after you settled up? A. No, sir. After I settled up he was never back on the place.
Q. You never saw your wife down there when you saw Pfeister?
A. No, sir.
Q. She told you she was going to see if the plums were ripe?
A. Yes, sir.

Examination by Mr. Davenport.

Q. How near did you say she was the last you saw of her?
A. She was about 50 yards, between the house and where he was.

Examination by the Commission.

Q. You simply suspicioned your wife having improper relations with this man? A. Yes, sir.
Q. You saw nothing. A. No, sir.
Q. You say Pfeister confessed this matter to you?
A. Yes, sir.
Q. What do you mean by that? A. I was after him all the time to know what he was there for.
Q. Down in the plum thicket? A. Yes, sir.
Q. Did he tell you what he was there for? A. He did. He told me what he was there for. He told me he made arrangements to meet her there.
Q. Did he say for what purpose? A. Yes, sir; he said it was no good purpose. I don't know just how he did word it. Then I asked him how long this work had been going on, he said going on for sometime.
Q. Then he told you he had been intimate with your wife for sometime? A. Yes, sir. He said she had been planning to run off with him and he promised he would.

Eliza Baker, being recalled, testified as follows:

Examination by Mr. Davenport.

Q. Mrs. Baker, did you state yesterday in your evidence that you sued your husband for a divorce on the grounf of abandonment? A. Yes, sir.

Examination by Mr. Starr.

Q. You heard the statement of Mr. Baker about you making some confession; tell us about that. A. I never did say anthing about it. I never did confess to him.
Q. When you went down there to the plum thicket you told him before you went there you were going? A. Yes, sir.
Q. He knew you were going down there? A. Yes, sir.
Q. How far did this plum thicket from the rock spoken of?
A. It seems to me it is pretty near a quarter.
Q. About a quarter of a mile? A. Yes, sir.

Examination by Mr. Davenport.

Q. In what direction is the house from the plum thicket to the house? A. If you want directions it is due south.
Q. The rock is between the house and the plum thicket?
A. No, sir, it would be southeast of the house.
Q. In going from your house to the plum thicket and return how near to this rock did you go? A. I didn't measure the distance. The rock would be about 200 yards.
Q. You were down in that localtiy? A. Yes, sir; but I wasn't any where near the rock.

Examination by Mr. Starr

Q. Did you see Mr. Pfeister on the rock? A. No, sir; never saw Mr. Pfeister on the rock or after dinner.
Q. Did you have any arrangements to meet him there?
A. No, sir, I didn't have.

Marcellus L. Baker, being recalled, testified as follows:

Examination by the Commission.

Q. On that day did you and your wife cease to live together as husband and wife, was it on that Sunday afternoon?
A. Yes, sir.
Q. Was that the result of that Pfeister told you on that day? A. Yes, sir; what he told me, what I seen and what she confessed to. That is what caused me to desert my bed.
Q. You say she didn't make any confession until the following Tuesday, she didn't make any on Sunday? A. No, sir.
Q. That was several days after? A. That was the next day after this Sunday.

Examination by Mr. Starr.

Q. But you quit living with her on that Sunday? A. I about made up my mind that I couldn't live with her and from her statement everything showed plainer and plainer, which I am able to show when the time comes.

BY MR. DAVENPORT:
The representative for the applicant desires to call the attention of the Commission to the fact that in divorce proceedings in the Indian Territory, an action for abandonment could not have been maintained within 12 months from the date of the alleged abandonment.

BY MR. STARR:
The Cherokee Nation calls attention to the fact that suits for divorce and allegations made in complaints have nothing to do with this hearing before the Commission.

The parties having no further evidence, the proofs are ordered closed and the case will be submitted to the Commission for final decision.

Commissioner Breckinridge: In Cherokee straight case 2905, entitled Marcellus L. STATEMENT AND ORDER.

His name also appears upon the certificate of admission more particularly described in the testimony, and having made satisfactory proof of his residence, he will be duly listed as a Cherokee citizen by blood. The name of his wife, Martha, also appears upon the census roll of 1896. The marriage certificate that he present certifies that he married on the 23d day of February, 1896/ to Martha Nead, who was a white person, too late under Cherokee law to acquire rights of citizenship, consequently the application for the enrollment of his wife, Marth, willb rejected. He presents certificate of birth as to his youngest child, Leroy, but his oldest child, McKinley is not found on the roll of 1896. Said two children wil beduly listed for enr llment as Cherokee citizens by blood. In order to complete the enrollment of his elder child, he will have to file certificate of birth as to his birth.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Commissioner.

Dated at Muskogee, Indian Territory,

this January 10, 1907.

Cherokee 1907.

Muskogee, Indian Territory, September 22, 1902.

Asia Still,

Siloam Springs, Arkansas.

Dear Sir:-

When you applied to this Commission for the enrollment of your wife as a citizen of the Cherokee Nation, you gave her name as Louella Still, while in the affidavit which you send as to the birth of your child, Corneleus Still, it is noticed that the name of your wife appears and she signs same as Ella Still.

The affidavit is herewith returned to you, and you are requested to have same corrected so that the name of your wife will appear therein as it appears upon the Commission's records, Louella Still.

Your attention is also called to the fact that while this affidavit was executed before a Notary Public for Benton County, Arkansas, the caption shows same to have been executed in Indian Territory. You are also requested to have the caption to the affidavit corrected.

Respectfully,

Acting Chairman.

Enc.-P-65.

In the matter of the application of Eliza Ele et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: In Cherokee case No.2910, entitled, Eliza Ele, et al., there are some slight variations in the names of the parties in this case; the only one which seems to call for remark is that of Emma S. Smith, given in the testimony as Emma Smith. On the roll of 1896 upon re-examination, and as upon the enrollment card she is given as Emma S., and in the judgment as Emma S. The evidence preponderates so largely in favor of this form of her name that further inquiry is not considered necessary, and this family are all considered to be correctly listed at this time for enrollment.

As regards the infant child James G. Ele, the affidavit called for in this case by the field judgment is shown to have been duly filed.

A copy of this statement will be attached to each copy of the testimony in this case.

In the matter of the application of John M. Daniel et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Brockinridge: On review it appears in the testimony that one of the children, Martha E., is given as Martha J. It is evident from the enrollment card and memorandum and the roll of 1896 that the initial J. in the testimony is wrong, and that the correct name of this child is as now given on the enrollment card, namely, Martha E.

Also as regards the child, Eliza J., she is given in the testimony as Eliza E.; from the same evidence just quoted it is evident that the present carding of this child as Eliza J. is correct.

It also appears from the enrollment card that since the application was made for the enrollment of this family on September 18,1900, there has been filed with the Commission as required at the time of the application, a proper certificate of birth for the child, Walter S. Daniel. The birthof this child is supported by an approved affidavit of birth and its name is properly supported by an approved affidavit of birth and its name is properly added as a Cherokee by blood to the list of this family for enrollment.

A copy of this statement will be attached to each copy of the testimony in this case.

In the matter of the application of John H. Hill et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: It is found upon review that the field judgment shows that a certificate of birth is still to be filed for the child, Mamie E. Hill. An approved certificate was filed for this child on November 9, 1900.

It is observed that the applicant was lawfully married to his present wife in May, 1895, and that his oldest child enrolled in this case was 12 years of age at the time of the application, September 18, 1900. According to the evidence this child could not have been born of this wife in wedlock, and the name of the mother of this child is not given on the enrollment card. This case will be held up, therefore, for the present, to make further inquiry in regard to parentage of this child.

A copy of this statement will be filed with the case.

M. D. Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Dear Sir:

You are hereby notified that before your application for the enrollment of yourself and three children as citizens by blood and your wife as a citizen by intermarriage of the Cherokee Nation will be complete, it will be necessary that you file with the Commission certified copy of the decree of divorce granted to you from your first wife; also evidence showing who has had the custody of your child: Luetta E. Hill.

This testimony can be presented at the Cherokee Land Office of this Commission at Tahlequah, and should be introduced at the earliest possible date, as until it is introduced the Commission can not well determine the rights of you and your family to be placed upon the final roll of citizens of the Cherokee Nation.

When you appear, please present this letter.

THE RECORDS FURTHER SHOW: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

IT IS THEREFORE ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Commissioner.

Dated at Muskogee, Indian Territory,

this January 10, 1907.

Commissioner Breckinridge: In Cherokee Straight Case No. 2916, entitled William C. Hampton and others, it is found upon review that the names given upon the enrollment card of the applicants in this case are satisfactorily supported by the field judgment and other evidence, and such names as there given are deemed correct.

The age of the applicant's wife, Dell Hampton, is given upon the enrollment card as twenty-four years, and this is considered satisfactory evidence of her age at the time of the application, September 18, 1900.

The marriage is considered as satisfactorily established by the supplemental testimony of September 18, 1900, and hence the condition respecting proof of marriage being required for the enrollment of the wife, is considered to have been complied with; and it is further shown that the affidavit of birth required in the field judgment for ~~Richard~~ Mitchell L. Hampton, the infant child in this case, has been supplied. It may be further stated that the applicant's wife, in signing the affidavit of birth of her child, signs her name as Dell Hampton.

Reference is made on the enrollment card of this case to Dell Casto as being found in an application for admission to citizenship made to the Dawes Commission in 1896, as per Docket A, page 434, No. 2674, and as per United States Court No. 63, for Dell Casto. Upon examination of this record the applicant's wife is not identified as participating in said proceedings; but if she had done so it is not considered that the proceedings would affect her present claim, inasmuch as her application is now made for enrollment as a Cherokee citizen by intermarriage, and is duly supported as such. It is further considered that if she had been a party to those court proceedings in 1896 she would not be upon the Cherokee Census Roll of 1896; but to complete the record in regard to the Commission and court proceedings in 1896, it should be stated that the case referred to was rejected or denied by the Commission, and the judgment of the Commission was sustained by the United States Court. Hence if Dell Hampton had been a party to said proceedings, which the present reviewer does not find her to have been, it would show that her exclusive claim is as a Cherokee by intermarriage, now satisfactorily established.

It is ordered that a copy of this statement be attached to each copy of the testimony in the foregoing named case.

Arthur G. Croninger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he took in full the preceding statement and order, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

The Department's instructions of June 1, 1908 (I.T.D. 6240-1908), and October 4, 1908 (I.T.D. 12228-1908), as to the proceedings to be taken with reference to these persons have been complied with. Notice, under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues in "The Cherokee Advocate" and "The Vinita Republican," both weekly newspapers of general circulation, the former published in the Cherokee Nation at Tahlequah, Indian Territory, and the latter published at Vinita, Indian Territory, in the Recording District in which the above named persons are

shown to have resided at the time of their death. The first issue of this publication in "The Cherokee Advocate" was on March 3, and the first issue in "The Vinita Republican" was on March 9, 1906. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the cancellation of the enrollment of said person as a citizen of the Cherokee Nation.

Secretary-6

No information having been received that any one of the above named 6 persons was living September 1, 1902, it is respectfully recommended that their names be stricken from the approved partial rolls of citizens and freedmen of the Cherokee Nation in the possession of the Department and the Commissioner of Indian Affairs; that this office be authorized to strike their names from the copies of the approved partial rolls in its possession, and that the applications for their enrollment as citizens of the Cherokee Nation be dismissed.

Q Have you some one here who knew your husband, Pavlen, when he was living? A No sir.

The applicant applies for the enrollment of herself and seven children. And her seven children, as enumerated in the testimony, are all identified on the roll of 1896, with her, and all of them unidentified on the children of her former husband, Benjamin R. Pavlen: That husband, now deceased, is identified on the rolls of 1880 and 1894, as a Native Cherokee.

The applicants marriage to him in 1883 is established by her own and her mothers testimony, and she is identified with that husband on the roll of 1896. These seven children will now be listed for enrollment as Cherokees by blood: They are all living at this time.

The applicant claims to have been admitted in 1883, as set forth in the testimony. There is a clerical error in the certificate of admission: It appears quite conclusive that she was a member of the family, put down as "Allen"., there being no child of that name in the family, and her name being very easily corrupted into that form, and she being the only one that could supply that place, but as this involves passing upon a clerical error in an official document of the Cherokee Nation, I prefer that the possibilities be weighed and passed upon by the full Commission, and therefore, I defer judgment at this time, and will have her application listed for consideration in this particular by the full Commission.

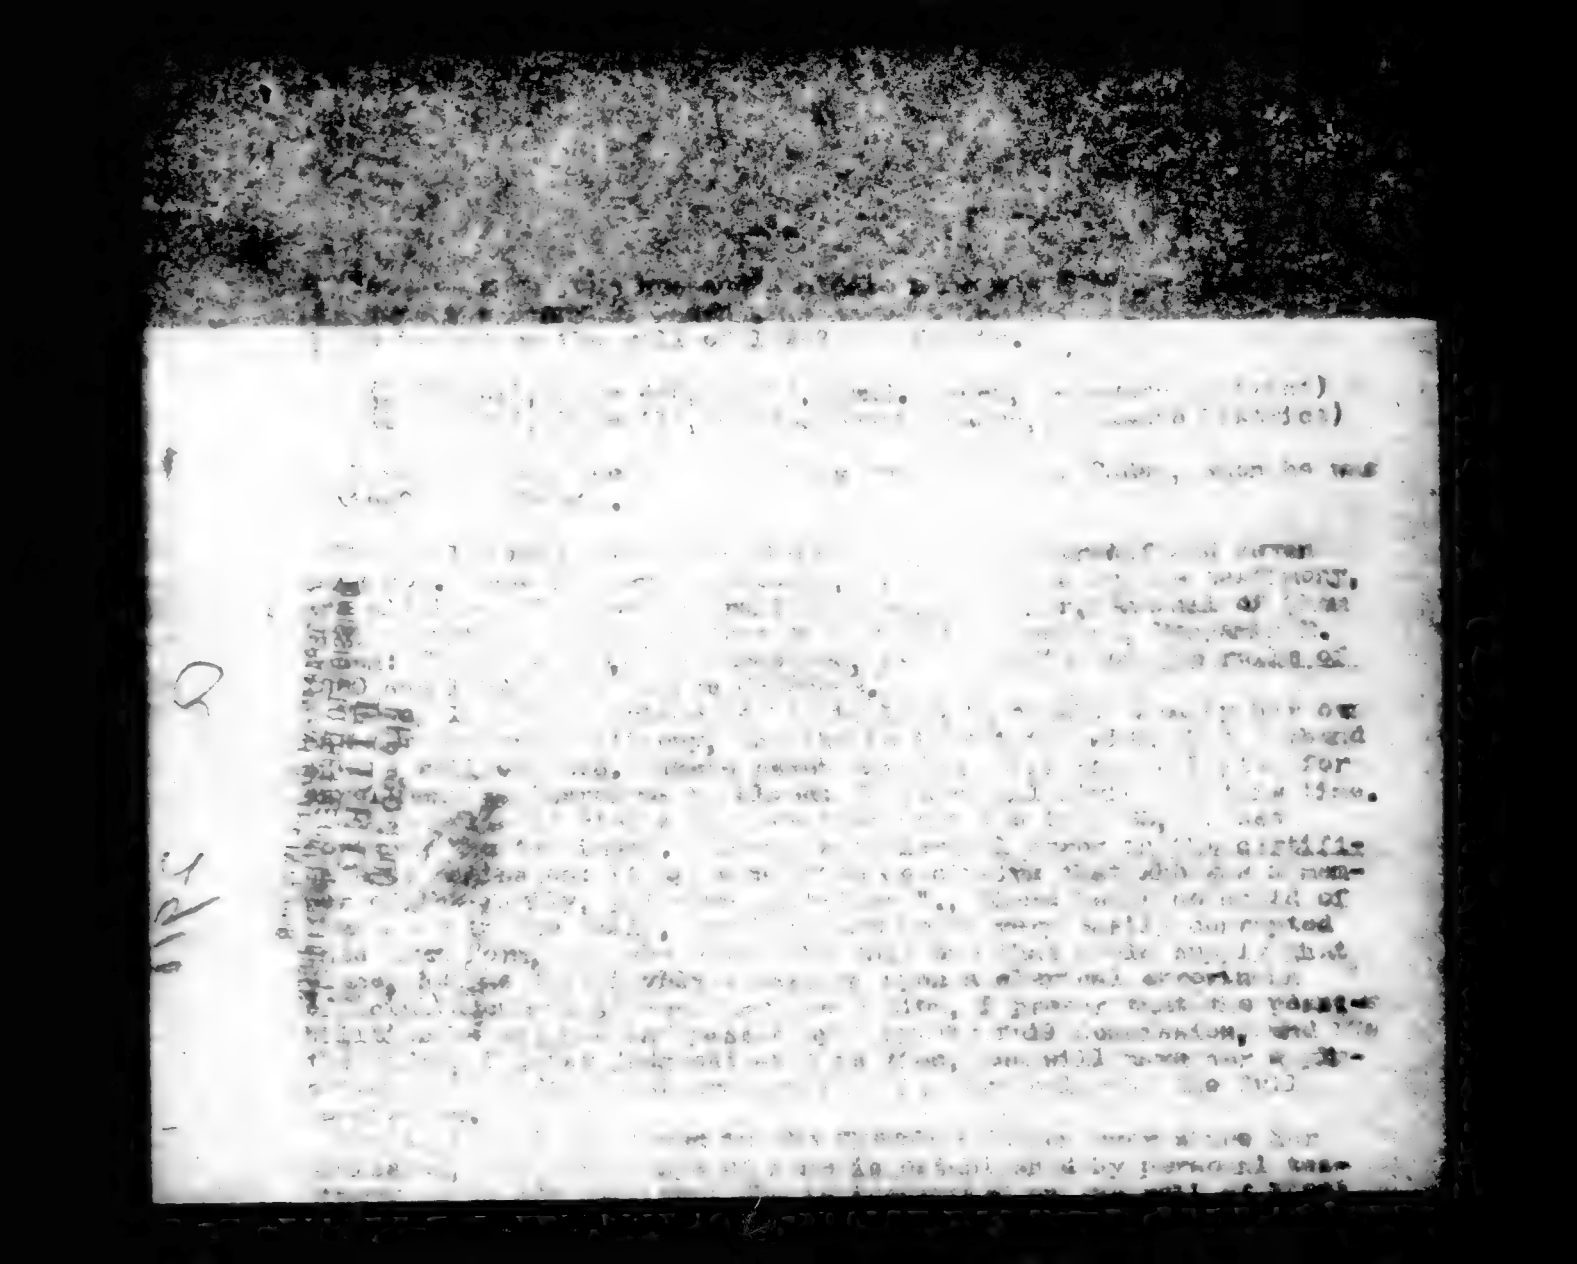

The applicant has lived in the Cherokee Nation ever since her admission, and her status of name is established by personal testimony as to her marriage: She is identified on the roll of 1896.

The undersigned, being sworn, states that as stenographer to the Commission to the Five Civilized Tribes, he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

DEPARTMENT OF THE INTERIOR,

COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of William D. Polson, et al., as citizens by blood of the Cherokee Nation.

D E C I S I O N.

The record in this case shows that on September 18, 1900, William D. Polson appeared before the Commission at Vinita, Indian Territory, and made application for the enrollment of himself and his minor child, Ridge Polson, as citizens by blood of the Cherokee Nation. Further proceedings in the matter of said application were had at Vinita, Indian Territory, on January 19, 1903. A birth affidavit was filed with this Commission on August 20, 1902, showing that Marie Almedia Polson was born subsequent to the original application herein. Application was therefore received for her enrollment.

The evidence shows that William D. Polson is a Cherokee Indian and that he was born in the Cherokee Nation in 1876, and remained therein until he was six years of age, at which time he was sent to the State of Arkansas to attend school where he remained four years. Subsequent thereto he attended school in the State of Missouri, returning to the Cherokee Nation in 1896, and improved property which he inherited from his father. Thereafter in May, 1898, he went to the State of Colorado accompanied by his sister, she being in poor health and said trip being for the purpose of regaining her health. It further appears that he returned to the Cherokee Nation in August, 1898, and continued to reside in said nation until 1900, at which time he removed to the State of Arkansas and was married, on January 17, 1900, to one Maud Vermillion. As a result of that marriage the minor applicants herein were born. The said William D. Polson is identified on the Cherokee authenticated roll of 1880 and the Cherokee census roll of 1896; Ridge and Marie Almedia Polson are identified by birth affidavits made a part of the record herein.

The evidence further shows that William D. Polson, since his removal to Arkansas in 1900, has not returned to the Cherokee Nation. The minor children were born in said State of Arkansas and have lived there all their lives. Their said father is a citizen by

blood of the Cherokee Nation and his status as such extends to the said minor applicants herein.

It is the opinion of this Commission that, following the decision of the Department in the case of Joseph D. Yeargain, et al., (I. T. D. 2900-1903), William D. Polson, Ridge Polson and Marie Almedia Polson should be enrolled as citizens by blood of the Cherokee Nation, in accordance with the provisions of section twenty-one of the act of Congress approved June 28, 1898 (30 Stats., 495), and it is, therefore, so ordered.

In the matter of the application of John H. Polson et al for enrollment as Cherokee citizens.

STATEMENT AND ORDER.

Commissioner Breckinridge: In Cherokee straight case 2938, entitled John H. Polson, et al, the applicant's wife is first applied for as Mamie Polson; the roll of 1896 inserts the initial A. into her name and also the initial R., and has her name Mamie as Mary; the enrollment memorandum and card have her recorded as Mamie A. This is deemed correct and this statement explains the somewhat marked variation in the name.

A copy of this statement will be filed with each copy of the testimony in this case.

M.D.Green,being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case and that the foregoing is a true and complete transcript of his stenographic notes thereof.

The Records Further Show: That said persons possess no right to enrollment as citizens of the Cherokee Nation other than by intermarriage, and that no one of said persons claims to have been married to a citizen by blood of the Cherokee Nation prior to November 1, 1875. The name of no one of said persons is identified on the Cherokee authenticated roll of 1880.

It Is Therefore Ordered and Adjudged: That in accordance with the decision of the Supreme Court of the United States, dated November 5, 1906, in the cases of Daniel Red Bird et al. vs. the United States, Nos. 125, 126, 127 and 128, said applicants are not entitled, under the provisions of Section 21, of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as citizens by intermarriage of the Cherokee Nation, and their applications for enrollment as such are accordingly denied.

Commissioner.

In the matter of the application for the enrollment of MARTHA M. WASHBOURNE as a citizen by intermarriage of the Cherokee Nation.

D E C I S I O N

THE RECORDS OF THIS OFFICE SHOW: That at Vinita, Indian Territory, September 18, 1900 application was received by the Commission to the Five Civilized for the enrollment of Martha M. Washbourne as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Muskogee, Indian Territory, October 27, 1902.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Martha M. Washbourne, is a white woman and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such right as she may have acquired by virtue of her marriage on July 15, 1868 to one Claude L. Washbourne, who is identified on the Cherokee authenticated tribal roll of 1880, Delaware District, No.3022 as a native Cherokee. Said applicant did not, therefore, marry a recognized citizen by blood of the Cherokee Nation prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States dated November 5, 1906 in the cases of Daniel Red Bird, et al. vs. the United States, Nos.125, 126, 127 and 128, the said applicant, Martha M. Washbourne, is not entitled, under the provisions of Section Twenty-one of the Act of Congress approved June 28, 1898, (30 Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Sir:

I have the honor to transmit herewith a communication from Commissioner Bixby, dated February 16, 1907, enclosing record of proceedings in the matter of the application for the enrollment of Martha M. Washbourne as a citizen by intermarriage of the Cherokee Nation, including the decision of the Commissioner, dated February 16, 1907, rejecting the application.

The record shows that the applicant is a white woman, and possesses no right to enrollment as a citizen of the Cherokee Nation other than such as she acquired by virtue of her marriage on July 15, 1888, to one Claude L. Washbourne, who is enrolled as a Cherokee by blood.

Since the applicant did not marry a recognized citizen by blood of the Cherokee Nation prior to November 1, 1875, the Office is of the opinion that the decision of the Commissioner, denying the application, is in accordance with the decision of the Supreme Court of the United States in the case of Daniel Red Bird, et al., vs. the United States, and it is recommended that it be affirmed.

In regards to the application of the applicant himself: He is shown by the marriage license and certificate filed herewith, to have been married to his Cherokee wife under United States law in 1890, too late for him to be upon any roll, and also too late under Cherokee law for him to acquire rights as a Cherokee citizens by intermarriage; therefore, he not being upon any roll, or having been admitted in any manner to Cherokee citizenship, the Commission has no jurisdiction over his case and the record will be made accordingly. Dear Sir:

You are hereby notified that before your application for the enrollment of your wife, Johnnie A. Ballard and her three children as citizens by blood of the Cherokee Nation will be complete, it will be necessary that you introduce before the Commission further testimony establishing their residence in the Cherokee Nation.

This testimony can be presented at the Cherokee Land Office of this Commission at Tahlequah, and should be introduced at the earliest possible date, as until it is introduced the Commission can not well determine the right of your wife and children to be placed upon the final roll of citizens of the Cherokee Nation.

When you appear, please present this letter.

Respectfully,

Commissioner in Charge

Cherokee 2940

Tahlequah, Indian Territory, December 23, 1903.

L. P. Ballard,

Vinita, Indian Territory.

Dear Sir:

The Commission is in receipt of your letter of December 16, acknowledging receipt of a notice from the Commission that further testimony should be introduced in the matter of the application of your wife and her children for enrollment as citizens by blood of the Cherokee Nation. You state your wife has been a continuous resident of the Cherokee Nation since childhood, and ask if that is what you are required to establish, and if so, how many witnesses should be introduced, and if that testimony could not be introduced at Muskogee.

In reply, you are advised that the testimony desired by the Commission is testimony showing how long your wife and her children have resided in the Cherokee Nation. Her own testimony, or yours, if you have known her since childhood, will probably be sufficient. The Commission will require, however, that this testimony be introduced before the Cherokee Land Office at Tahlequah.

Respectfully,

Commissioner in Charge
